## UNA ESCLUSIVA FINITURA PER LE NOSTRE COLLEZIONI SINTHESY, TEKNO TRE, FLAT, ELEGANCE

Interpretando le ultime tendenze dell'interior-design, dove ritorna protagonista indiscusso il nero, abbiamo messo a punto una finitura realizzata con specifici prodotti contenenti microsfere di vetro, le cui principali caratteristiche sono:

- **ALTA OPACITÀ** ad elevato assorbimento della luce e senza riflessi
- **PIACEVOLE AL TATTO**
- **DESIGN MODERNO**
- **ANTI-IMPRONTA**
- **OTTIMA RESISTENZA ALL'ABRASIONE**
- **DUREVOLE E DI FACILE PULIZIA**

Alcune immagini mostrano il perfetto abbinamento con ambienti moderni e di tendenza e gli accessori disponibili.

## EXCLUSIVE FINISHING FOR OUR SINTHESY, TEKNO TRE, FLAT, ELEGANCE COLLECTIONS

Interpreting the latest trends in interior design, featuring an overall return to black, here at FOA we came up with a finishing having glass microspheres and the following features:

- **HIGH OPACITY** having a high light absorption and no reflections
- **PLEASANT TO THE TOUCH**
- **MODERN DESIGN**
- **ANTI-FINGERPRINT**
- **SIGNIFICANT RESISTANCE TO SCRAPPING**
- **LONG-LASTING AND EASY TO CLEAN**

Some images show the perfect pairing this collection can have with modern and trendy rooms, as well as the available accessories.
